MLK Celebration

On January 15th, we will celebrate the life and lessons of Dr. Martin Luther King Jr.. The staff at Ocean Shore and the Diversity Leadership Group is asking students to honor this special day by being “kids of character.” **We would like students to wear special occasion clothing that is meaningful to them or to wear their Ocean Shore clothing to model our sense of community.** We will continue the Ocean Shore tradition by listening to his words and singing “This Little Light of Mine”.

The event will begin at 8:30 and will last for about 20 minutes. All are welcomed to stay on campus for this event.
