

ATTENTION 6th GRADE PARENTS

- ***For the 2021-2022 school year, all students entering 7th grade are required to have a Tdap booster and a 2nd Varicella (Chickenpox). These immunizations are required by the State of California.***

If your child has already received these immunizations, please mail a copy to us or email it to bbualat@pacificasd.org so we can get it recorded in his/her health records.

In the event your child has not received these immunizations, please make an appointment as soon as possible and forward their immunization record to us.

Thank you!
