OSS Office News!

A reminder about extended school absences of 5 days or more: If your family is going to be away from school for 5 days or more. Please remember to notify the teacher AND the office and ask your teacher for an Independent Study contract. When you take advantage of the Independent Study contract your child will avoid missing important schoolwork and helps prevent the school from losing out on allocated money from the State.

Every day a student is absent due to travel, illness, excused or unexcused we lose approximately \$30 per student per day. However, when your child agrees to do an Independent Study contract or allocation with remain as though the student is at school.

Environmental Action Team (EAT)

- EAT committee's monthly PPP - Picnic, Pick-up, and Plant - is starting this Sunday, Sept 8 from 10- 1pm. Meet at the garden.

Come out and help beautify our school while earning hours. Every person in the family that comes to work earns hours for their time. Bring your picnic lunch, bring your gloves or borrow when you get here, and bring your enthusiasm. Drop in when you can. Come meet other Ocean Shore families and make our school lovely.

- Please join our first EAT meeting of the school year on **Monday, September 9, from 6:30 to 7:30 in the school library.** We welcome all levels of participation and are currently taking suggestions for a committee chair to be appointed by our OSS Board.

We look forward to **supporting our garden and composting programs** as well as **greening our school site grounds.** Help to grow our committee and programs for our school of earth stewards. Join us Monday!
