

I Know Joe, Corp Surf Camp Pacifica Scholarships

Dear Parents/Guardians,

We are a small 501 (c) 3 nonprofit that's committed to educating students about ocean environmental issues and as part of that mission, we have partnered with Surf Camp Pacifica* to offer surf camp scholarships in summer for underserved local youth to teach them the importance of ocean safety, along with surfing basics.

I Know Joe is offering a limited number of week-long camp scholarships and is currently in the process of identifying Pacifica students (Grades 5 – 8) who may qualify for free scholarships to the surf camp based on financial need (see application attached).

If your child qualifies and is interested in attending surf camp through Surf Camp Pacifica this summer at Linda Mar State Beach (sessions to be determined later), please complete the application on the back of this letter and return it by March 31. After that date, we will randomly select qualifying students by lottery if the applications exceed the number of scholarships available. All applicants will be notified by either email or phone by April 12.

If you have any questions you may contact us through email at iknowjoe@yahoo.com or leave us a text or voice message at 650.438.7241. Visit our website at www.iknowjoe.org.

Yes, I am interested in having the above named child apply for scholarship to Surf Camp Pacifica this summer. I understand, if chosen, we will be contacted by April 10th and a separate parent consent to the surf camp will have to be completed at that time, and it is my responsibility to arrange for transportation for this child to and from the surf camp. Please note that surf camp is 3 hours a day for 5 days, either morning or afternoon sessions, which are determined when applicants are selected (scholarships are not identified within the surf camp's scope of sessions).
