

# PACIFICA EDUCATION FOUNDATION

Last Updated 4/9/2019

**The Pacifica Education Foundation (PEF) is taking education to new heights.** They completely fund educational programs which exceed California's core school standards; which our district budget cannot accommodate. Simply, PEF funds, advances, and protects a higher quality education for OUR students. Learn more at <http://www.pacificaef.org/about-us>.

## **PEF SPONSORED PROGRAMS:**

- **Elementary School Music Program**
- **Middle School Band Program** (Music Matters in Pacifica - MMIP)
- **Middle School Computer Science Program**
- **Elementary School Slam Poetry Program** (SPARC - Stage Performance + Rhythmic Culture - Poetry)
- **Professional Science Curriculum Training for Teachers** (Next Generation Science Standards)

These programs do not thrive without community support, however. PEF relies 100% on your generosity to sustain them. Your support in each area below is vital; and helps us make a massive impact.
