

Celebrate Arts Education Month with the first annual
Pacifica School District Wide Art-a-Thon!
March 1 - March 31

This year's theme: *Here Comes the Sun!*

The Challenge: Create a piece of two dimensional visual art (painting, drawing, sketch, collage, coloring, etc.) inspired by the 2021 Art-a-Thon theme *Here Comes the Sun* and what it means to you.

Materials: Families are encouraged to use materials found in their homes, whether that be art supplies or recycled goods! Families may choose to donate additional supplies to one another through contactless porch pick-up.

How to Participate: Join the Art-a-Thon Google Classroom by using code **q6go2rp**. On the Art-a-Thon Google Classroom, you will:

- Have access to how-to technique videos by Sanchez Art Center artists
- Learning resources for discovering famous artists who created works that reflect this year's theme
- Ability to post and respond to families who may have art supplies & materials to share
- Have your questions answered

Be sure to check the Art-a-Thon Google Classroom weekly for new supplies offerings, learning opportunities, and other information!

Join the Art-a-Thon any time throughout March! Participants will upload a photo of their finished artwork to the Google Classroom by March 31st. Submitted works will be compiled into a video that will live on District, school, and community websites to share our creativity with all of Pacifica.

The District Wide Art-a-Thon is supported by
